

Philharmonia

Tours & Projects Manager

January 2026

Overview of the Organisation

The Philharmonia Orchestra is one of the world's great orchestras and has been creating thrilling performances for a global audience since 1945.

Artistic Leadership

Celebrated young Finn Santtu-Matias Rouvali is our Principal Conductor. Santtu follows in the footsteps of great artists including Herbert von Karajan, Otto Klemperer and Riccardo Muti. His immediate predecessor Esa-Pekka Salonen is our Conductor Laureate, and in 2023, Marin Alsop joined the Philharmonia family as Principal Guest Conductor.

This inspirational artistic leadership is at the core of our work on the concert platform, which we then complement with a diverse range of titled artists which change season by season; in 2025/26 our Artist in Residence is dance duo Thick and Tight and our Featured Artist is Þóringur Ólafsson. Together with the Orchestra, these artists help us shape a programme of performances and projects of the highest quality and distinctiveness.

Organisational Overview

The Philharmonia is a registered charity and as one of the four London self-governing symphony orchestras comprises 80 musicians from 16 countries. The Board is led by Lord King of Lothbury and includes a strong player voice through members of the orchestral committee headed up by President James Buckle. The management team of 40 administrative and backstage staff is led by CEO Thorben Dittes and an Executive Team of five.

Our artistic home is the Southbank Centre in the heart of London, where we give around 35 performances a year. We also have residencies in Bedford, Leicester, Canterbury, and Basingstoke, encompassing longstanding Learning & Engagement projects as well as regular concerts. Additionally, the Orchestra tours extensively internationally, with tours and international residencies over the last year in the USA; Japan; Mauritius and Europe. From our administrative base in Bankside, we create around 250 projects and performances annually and in 2024/25 around 160,000 experienced the Philharmonia sound live.

From LPs to Virtual Reality, we have always been pioneers in using technology to bring our music to the widest possible audience. We have 1 million listeners each month on Spotify, over 500,000 social media followers, and a vibrant YouTube channel with annual viewing figures of almost 3 million.

The future

Following the challenges of the Covid pandemic and a change in executive leadership the organisation has undertaken an extensive mission-vision-values exercise, involving musicians, staff, Board and external stakeholders. The resulting forward direction connects the Orchestra's illustrious musical history and artistic DNA of international excellence, with a firm focus on innovation and the future of the orchestral experience for both audiences and musicians.

The next steps will be to create the detailed strategies, operational models and standout defining artistic projects which enable us to move towards our vision of the future. This is built on a thriving, equitable society with orchestral music at the heart of cultural life, where musicians are celebrated for the work they do to make the world a better place.

Could you be part of that future?
